INTRODUCTION

In this questionnaire we are trying to find out about the various **service use, productivity and cost impacts of your health or wellbeing**.

Please read the instructions provided for each question carefully. Questions that can be skipped are clearly indicated. If you have difficulty answering any of the questions, please provide the best answer you can.

Only consider service use and impacts related to your own health and wellbeing.

Responses will be kept confidential and used for research purposes only.

Thank you in advance for helping by completing this questionnaire!
